

1:14 Alu Servohalterung Lenkservo m.HTS.

Artikelnummer: 300056532

1:14 Alu Servohalterung Lenkservo m.HTS.

Hersteller: Dickie - Carson/Tamiya

This aluminum steering servo mount improves the steering of Tamiya tractor truck models, and it's suited to be used with hi-torque servos. The included aluminum servo horn and hi-torque servo saver reduce vibration of the servo and provides swifter steering response.

Suitable for:

56305 Mercedes-Benz 1838LS
56307 Mercedes Benz 1850L
56312 Volvo Globetrotter
56318 Scania R470
56323 Scania R620
56325 MAN TGX 26.540
56327 Scania R620 Blue
56329 MAN TGX 18.540
56332 MAN TGX 18.540 Red
