E-Motor Tractor Truck Torque-Tuned 33T

Hersteller: Dickie - Carson/Tamiya

E-Motor Tractor Truck Torque-

This motor is intended for use with 1/14 scale R/C Tractor Truck models. It prevents speed loss in the top gear of the 3-speed transmission, while allowing longer runs and easier maintenance.

- Low turn motor provides high torque, which gives the model more realistic and effective running in its top gear.

- Comes equipped with ball bearings.

- This motor has lower power consumption. Lower power consumption means longer driving times.
